

For You...

Are YOU, a care-giver, lead agency, child-welfare worker or representative from Juvenile Justice or the Local Education Agency, we are here to assist you.

- ◇ There is never a cost for a phone consultation to discuss the case.
- ◇ The key component that is often missing is an effective and consistent communication tool between the school and all other outside services that are wrapped around the student and family. We will be your education coordinator.
- ◇ We are on the ground with visits to the school, contact with the school FRA and Social Worker.
- ◇ We will implement a communication tool specific for the student and all their support systems to share information and support the academic goals.
- ◇ We are a DCF vendor (LINK# 54407) and we are on the ABH vendor list, which means we can work with Emily J children.
- ◇ Fill out a referral form and fax it to us.

Our service will come to you!

A.I.R. Program

What is this service for...

- ◇ Advocacy: Caregivers/Guardians need assistance advocating for their children's education.
- ◇ Intervention: Student is in need of educational guidance and future college/career planning
- ◇ Re-entry/transition: Student is/will be in transition from one school district to another.

This includes...

- * Each student is assigned to an Educational Coordinator.
- * Create a comprehensive educational plan for all the involved agencies.
- * Maintain consistent and effective contact with student, family, school and all other wrap around services.
- * Assistance/Coordination of ser-

vices for school transfers.

- * Support/presence for important meetings (court, school, social service, etc.) via in-person, concise report or phone.

- * Coordination and planning with BOE.

- * Advocate for student's educational goals.

- * All assessments, reports and a database containing all the raw data at the end of the program.

* When age-appropriate skills assessment, personality or career orientation planning can be done for the student

- * Tutoring services can be added at a discounted rate for students in our program

What we DON'T do...

There are many excellent agencies that provide comprehensive mental and behavioral health services; we are not one of them.

Our Mission:

Apados exists to help students and their families, as well as the people and entities that support them, to successfully pursue and maintain their education.

Program Goal:

To see a marked increase in academic behavior, grades and attendance for children who enter our program.
